Transfer (Not included): You will need to fly into David (DAV - Enrique Malek Airport) Check-out: www.copaair.com as they have flights to David (DAV) via PTY or you may change planes in Panama City (PTY- Tocumen Airport) then you would need a taxi to Albrook Airport (PAC) for a flight to David (DAV- Chiriqui Airport) on Air Panama. The airfare from PAC to DAV is approximately \$280.00 roundtrip, per person. Then you will need a transfer from the David Airport to the resort. We can provide this service which we highly recommend and the cost is \$20.00 per person each way and the drive will take approximately 40 minutes. Your driver is waiting for you just outside the baggage claim area with a sign "Los Establos". We will need your complete flight itinerary to make the necessary arrangements for pick up and drop off times in advance.

For the Adventurous.....Another option is to take an Express bus from Albrook Bus Terminal to David Airport the cost is \$15.00 per person and they are the fastest buses. The Express bus is air conditioned, with TV and bathrooms on board. The drive is normally under 7 hours and they depart at 3:00pm, 10:45pm & 12:00am. There are also regular buses that depart on the hour and the cost is \$12.50 per person and can take at least 8 hours or longer to reach Boquete.

The third option is to rent a car and drive to Los Establos. It is a safe drive and only 1 highway to get there from Panama City to Boquete all GPS devices work there as well. The midpoint if you wanted to stop over would be in a city called Santiago of Veraguas. There are nice hotels in that area and also Valle of Anton.

Most of our resorts offer complimentary Wi-Fi for guests using personal smartphones, tablets, or laptops in our lobby or pool areas. Some accommodations include Wi-Fi as an in-room amenity, others are available at a charge. (Example: \$10 per day or \$50 per week)

It is best to check with the resort at the time of booking.
